*Next Meeting:* Please note the change of day and date, and that we may need a little extra time for this very special event:

**Monday December 12th, 2022, from 7:30 - 9.30 p.m.**

**Ice Breaker** a simultaneous presentation by all present of their Chanukah menorah; or a dreidel or a picture of either that you really like.

*A multi Chanukiah, only possible on Zoom!*

**Presentation:**

*We are proud to share with  
some highlights and impressions*

*composer Sandra Goldberg  
of her Musical Drama*

***Judah Judah***

There will be time to ask Sandy about her work, and to see and listen to excerpts from the premiere performance in Zürich. We expect it to take a little longer than our usual Tea with Hava, and to be a fitting conclusion to a great year together.

*English speakers from our 3 Liberal/Progressive communities are all invited to attend this special event.*
